PDQ'S SR Series Brochures are now printed entirely on Forest Stewardship Council certified paper. FSC Certification ensures that the paper used in this catalog contains fiber from well-managed and responsibly harvested forests that meet strict environmental and socioeconomic standards. We're proud to be one of the first hardware manufacturers in the country to make this significant move to help our environment. The FSC logo on our brochure signals not only FSC certified paper, but also PDQ's commitment to improving the environment.
