

PROUDLY ASSEMBLED BY THE
VISUALLY IMPAIRED IN THE USA

PDQ is proud to be partnered with CABVI under the US AbilityOne Program.

This partnership facilitates the employment of people who are blind or have significant other disabilities in the production of ANSI/BHMA Grade 1 door hardware. Under the SKILCRAFT® brand, blind and visually impaired US citizens assemble door hardware using PDQ components for use by all federal government agencies.

Code of Federal Regulations and FAR References:

- 41 U.S.C. Chapter 85 – JWOD Act requires all Federal Agencies to purchase Supplies and Services from nonprofits who employ people who are blind or have significant other disabilities.
- 41 CFR Chapter 51
- 41 CFR 51-5.3
- 41 CFR 51-5.4
- FAR Subpart 8.2
- FAR Clause 52.208-9, Contractor Use of Mandatory Sources of Supply or Services - New Construction/Major renovations and maintenance of all federally funded buildings.
